

**Mirae Asset Securities (HK) Limited**  
(Incorporated in Hong Kong with limited liability)

**ANNOUNCEMENT**

**Proposed Issue of  
5,000,000 European Style Cash Settled Long Certificates  
relating to the Hang Seng China Enterprises Index Net Total Return Index with a Daily  
Leverage of 3x**

**Introduction**

Mirae Asset Securities (HK) Limited (the “**Issuer**” or “**Mirae Asset**”) wishes to announce the launch of the proposed issuance of 5,000,000 European Style Cash Settled Long Certificates (the “**Certificates**”) relating to the Hang Seng China Enterprises Index Net Total Return Index (the “**Index**”). Mirae Asset Securities (HK) Limited has been appointed as the designated market maker (the “**Designated Market Maker**”) and The Central Depository (Pte) Limited (“**CDP**”) has been appointed as the warrant agent (the “**Warrant Agent**”) for the Certificates.

The Certificates are cash-settled warrants which entitle a certificate holder (the “**Certificate Holder**”) to be paid a cash settlement amount (the “**Cash Settlement Amount**”) less any exercise expense (if positive) in accordance with the terms and conditions of the Certificates.

Further details of the Certificates are set out below.

**Exercise of the Certificates**

The issue price and the notional amount per Certificate (the “**Notional Amount**”) are US\$2.00. The leverage mechanism integrated in the Certificates (the “**Leverage Strategy**”) carries a daily leverage of 3 times.

The Certificates have a strike level of zero (the “**Strike Level**”) and may only be exercised on 27 March 2026 (the “**Expiry Date**”).

**Cash Settlement Amount**

The Certificates may only be exercised on the Expiry Date or if the Expiry Date is not a Business Day, the immediately preceding Business Day, in a Board Lot or integral multiples thereof. Certificate Holders shall not be required to deliver an exercise notice. Exercise of Certificates shall be determined by whether the Cash Settlement Amount (less any Exercise Expenses (which has the meaning given to it in the terms and conditions of the Certificates)) is positive. If the Cash Settlement Amount (less any Exercise Expenses) is positive, all Certificates shall be deemed to have been automatically exercised at 10:00 a.m. (Singapore time) on the Expiry Date or if the Expiry Date is not a Business Day, the immediately preceding Business Day. The Cash Settlement Amount less the Exercise Expenses in respect of the Certificates shall be paid in the manner set out in the terms and conditions of the Certificates. In the event the Cash Settlement Amount (less any Exercise Expenses) is zero, all Certificates shall be deemed to have expired at 10:00 a.m. (Singapore time) on the Expiry

Date or if the Expiry Date is not a Business Day, the immediately preceding Business Day, and Certificate Holders shall not be entitled to receive any payment from the Issuer in respect of the Certificates.

A “**Business Day**” is a day on which the Singapore Exchange Securities Trading Limited (the “**SGX-ST**”) is open for dealings in Singapore during its normal trading hours and banks are open for business in Singapore.

The “**Board Lot**” of the Certificates is 100.

The Cash Settlement Amount in respect of each Certificate is the amount (if positive) equal to:

Closing Level multiplied by the Notional Amount

Where

Closing Level: In respect of each Certificate shall be calculated as follows:

$$\left( \frac{\text{Final Reference Level} \times \text{Final Exchange Rate}}{\text{Initial Reference Level} \times \text{Initial Exchange Rate}} - \text{Strike Level} \right) \times \text{Hedging Fee Factor}$$

Final Reference Level: The closing level of the Leverage Strategy on the Valuation Date which shall be calculated in accordance with the formula set out in the “Specific Definitions relating to the Leverage Strategy” section of the Appendix to this Announcement and the supplemental listing document relating to the Certificates to be dated on or about 29 March 2023 (the “**Supplemental Listing Document**”) and is floored at zero and subject to the Air Bag Mechanism.

Air Bag Mechanism: Refers to the mechanism built in the Leverage Strategy and which is designed to reduce the Leverage Strategy exposure to the Index during extreme market conditions. If the PR Index falls by 20% or more during Index Business Day (which represents an approximately 60% loss after a 3 times leverage), the Air Bag Mechanism is triggered and the Leverage Strategy is adjusted intra-day. The Air Bag Mechanism reduces the impact on the Leverage Strategy if the Index falls further, but will also maintain a reduced exposure to the Index in the event the Index starts to rise after the Air Bag Mechanism is triggered, thereby reducing its ability to recoup losses. Further details of the Air Bag Mechanism are or will be set out in the “Extraordinary Strategy Adjustment for Performance Reasons (“Air Bag Mechanism”)” section of the Appendix to this Announcement and the Supplemental Listing Document, and the “Description of Air Bag Mechanism” section of the Supplemental Listing Document.

“**PR Index**” refers to Hang Seng China Enterprises Index.

Valuation Date: 26 March 2026 or if such day is not an Index Business Day, the immediately preceding Index Business Day.

An “**Index Business Day**” means a day on which the value of the Index is published by the sponsor of the Index or, as the case may be, the successor sponsor of the Index.

**Final Exchange Rate:** The rate for the conversion of Hong Kong Dollar to United States Dollar as at 5:00pm (Singapore Time) on the Valuation Date as shown on Bloomberg, provided that if the Bloomberg service ceases to display such information, as determined by the Issuer by reference to such source(s) as the Issuer may reasonably determine to be appropriate at such a time.

**Initial Reference Level:** 1,000

**Initial Exchange Rate:** The rate for the conversion of Hong Kong Dollar to United States Dollar as at 5:00pm (Singapore Time) on 29 March 2023 as shown on Bloomberg, provided that if the Bloomberg service ceases to display such information, as determined by the Issuer by reference to such source(s) as the Issuer may reasonably determine to be appropriate at such a time, which will be specified in the Supplemental Listing Document.

**Hedging Fee Factor:** In respect of each Certificate, shall be an amount calculated as follows:

Product (for t from 2 to Valuation Date) of  $(1 - \text{Management Fee} \times (\text{ACT}(t-1;t) \div 365)) \times (1 - \text{Gap Premium}(t-1) \times (\text{ACT}(t-1;t) \div 365))$

Where:

“**t**” refers to “**Observation Date**” which means each Index Business Day (subject to Market Disruption Event) from (and including) the Index Business Day immediately preceding 30 March 2023 to the Valuation Date; and

“**ACT (t-1;t)**” means the number of calendar days between the Index Business Day immediately preceding the Observation Date (which is “t-1”) (included) and the Observation Date (which is “t”) (excluded).

Examples and illustrations of the calculation of the Hedging Fee Factor will be set out in the “Information relating to the European Style Cash Settled Long Certificates” section of the Supplemental Listing Document.

**Management Fee:** 0.30%  
(p.a.)<sup>1</sup>

**Gap Premium (p.a.):** 2.00%

Examples and illustrations of the calculation of the Cash Settlement Amount will be set out in the “Information relating to the European Style Cash Settled Long Certificates” section of the Supplemental Listing Document.

---

<sup>1</sup> Please note that the Management Fee may be increased up to a maximum of 3% p.a. on giving one month’s notice to investors. Any increase in the Management Fee will be announced on the SGXNET.

The reference level of the Index used for the pricing of the Certificates is the closing level of the Index on 29 March 2023, which will be specified in the Supplemental Listing Document.

### **Listing and Trading of the Certificates**

An application will be made to the SGX-ST for the listing of and quotation for the Certificates. The Certificates, when issued, will be represented by a global warrant certificate to be deposited with CDP. The Certificates will be traded on the SGX-ST through the book-entry scripless settlement system of CDP. It is expected that dealings in the Certificates will commence on or about 30 March 2023 on the SGX-ST. The Certificates will be traded in United States Dollar on the SGX-ST.

### **The Designated Market Maker**

The Designated Market Maker will provide competitive buy and sell quotes (the “**Quotations**”) for the Certificates continuously during the trading hours of the SGX-ST (with the spread between the buy and sell quotes not exceeding 10 ticks or US\$0.20 whichever is greater when the best bid price of the Certificate is US\$10 and below or not exceeding 5% of the best bid price of the Certificate when the best bid price of the Certificate is above US\$10). The minimum quantity of Certificates to which the Quotations will apply is 10,000 Certificates.

Quotations may however not be provided by the Designated Market Maker in the following circumstances:

- (i) during the pre-market opening and five minutes following the opening of the SGX-ST on any trading day;
- (ii) if the Certificates are valueless (where the Issuer’s bid price is below the minimum bid size for such securities as prescribed by the SGX-ST);
- (iii) before The Stock Exchange of Hong Kong Limited (the “**HKEX**”) has opened and after the HKEX has closed on any trading day and trading in the securities constituting the Index has ceased for such trading day;
- (iv) when trading in the Index is suspended or limited in a material way for any reason, for the avoidance of doubt, the Designated Market Maker is not obliged to provide quotations for the Certificates at any time;
- (v) where the Certificates are suspended from trading for any reason including, but without limitation, as a result of trading in the securities or derivatives relating to or constituting the Index being suspended, trading of options or futures relating to the Index on any options or futures exchanges being suspended, or options or futures generally on any options and/or futures exchanges on which options relating to the Index are traded being suspended, or if the Index for whatever reason is not calculated;
- (vi) market disruption events, including, without limitation, (i) any suspension of or limitation imposed on trading (including but not limited to unforeseen circumstances such as by reason of movements in price exceeding limits permitted by the SGX-ST or any act of God, war, riot, public disorder, explosion, terrorism or otherwise) in securities or derivatives relating to or constituting the Index, options or futures relating to the Index on any options or futures exchanges or options or futures generally on any options and/or futures exchanges on which

options relating to the Index are traded and (ii) any failure from the Index Sponsor to compute, publish and disseminate the level of the Index or the PR Index, or material limitation to access the level of the PR Index or Index;

- (vii) where the Issuer or the Designated Market Maker faces technical problems affecting the ability of the Designated Market Maker to provide bids and offer quotations;
- (viii) where the ability of the Issuer to source a hedge or unwind an existing hedge, as determined by the Issuer in good faith, is materially affected by the prevailing market conditions, and the Issuer informs the SGX-ST of its inability to do so as soon as practicable;
- (ix) in cases where the Issuer has no Certificates to sell, then the Designated Market Maker will only provide the bid price;
- (x) if the stock market experiences exceptional price movement and volatility;
- (xi) when it is a public holiday in Singapore and/or Hong Kong and/or the SGX-ST and/or the HKEX are not open for dealings; and
- (xii) during the suspension of trading of Certificates after an Air Bag Mechanism has been triggered.

The last trading day on which the Designated Market Maker will provide competitive Quotations for the Certificates would be the fifth Business Day immediately preceding the Expiry Date.

### **Termsheet**

A copy of the termsheet relating to the Certificates is attached as an Appendix to this Announcement.

### **Information on the Issuer**
